## General Membership Meeting

Come out to the ECSA General Meeting on Wednesday, August 8th at 7:00 p.m. With so many new apps coming out, the program for August will be Cell Phone and Tablet Apps for Boaters. We will be covering everything from Chart Plotting, Boating Help, all the way to entertainment while cruising. In addition to the apps we will also be covering some hardware necessary to make some of your experiences more enjoyable. We will try to keep the program timed down to about 30 minutes to be able to allow some of our audience to speak to the apps they may use during their time cruising. We will also have a handout with a number of apps and software described, and links to help get everyone to see more of what they can do out on the water. The presenter will be Page Proffitt. Due to construction on the bathrooms, we will need to enter the meeting room through the glass doors that enter the room directly (Northeast corner). The meeting will be preceded by our new Happy-Half-Hour, starting at 6:30 p.m. -- BYOB and get happy !
